

## Truma 2009 show attendance!!

**Truma** have historically attended the majority of Caravan and Motorhome shows and rallies that are held throughout the year, and despite such economic hardship that's apparent across all industries, **Truma** are proud to announce that 2009 will be no different!

**Truma** haven't held back this year, and have already travelled to **Manchester Central** and the **Glasgow Scottish Caravan and Outdoor Leisure Show**, both of which were a great success!

Along with their presence at **The Boat and Caravan Show at the NEC**, **Truma** will next be attending the **Caravan Club National Rally**, this year to be found at Prestwold Hall in Loughborough. The 4-day event held over the May bank holiday will undoubtedly attract an abundance of caravanners looking for that relaxing weekend break!

**Truma's** next rally date is one of rare opportunity, and **Truma** are excited to be a part of the **75<sup>th</sup> International FICC rally**, to be held at Trinity Park, Ipswich. This unique occasion doesn't lend itself often, and being the second time it will be hosted in the UK, **Truma** are exceptionally keen to make an appearance.

**The National Feast of Lanterns** will this year be held at Blenheim Palace, and **Truma** are pleased to announce that as part of their continued support for The Camping and Caravan Club, will not only be attending the event, but will be donating not one, but **two raffle prizes!** The first being one of their **New**

**Generation Caravan Movers.** The **SE** is the top of the range single axle caravan mover that has the ability to move up to 1800kg. It also boasts the smooth start/stop feature, with the highly durable aluminum roller. Most impressively the electronic engagement facility allows effortless engagement/disengagement of the rollers through the simple press of two buttons! The second prize being offered is the **new addition** to the **Truma** accessory range, the **Towel dryer!** This can be easily fitted to air-ducting within the caravan/motorhome to warm through any damp towels or items of clothing.

The final rally of 2009 for **Truma** will be at **The Lawns** in Cottingham, from the 5<sup>th</sup> – 6<sup>th</sup> and 8<sup>th</sup> – 10<sup>th</sup> October. **Truma** are always committed to providing support for the public show dates, as well as the trade dates, and always look forward to receiving feedback from the end users of their products!

To end the 2009 season, **Truma's** final appearance will be at the **International Caravan and Motorhome Show** from the 13<sup>th</sup> – 18<sup>th</sup> October, revisiting the NEC. After a predicted tough year for the whole of the UK economy, **Truma** are hopeful that continued support from companies such as themselves can only help strengthen the Caravan and Motorhome industry.

**Truma** are confident for 2009, and are looking forward to seeing you all during our show/rally visits!!
